The House cane auction will be run as follows:

The auction is a first-price sealed-bid online auction in which bidders fill in the online form and submit their bid. Each bidder can bid a maximum of five times during this phase.

The auction will end at 6pm on Friday 19th October 2012.

The item will be sold to the individual who bid the highest. They will pay a price equal to the exact amount that he or she bid.

By bidding on this item you confirm that you are prepared to pay the amount in your bid to Eaves by 6pm on Monday 22nd October 2012.

Payment must be made within two working days of the end of the auction (6pm on Monday 22nd October 2012) or the second highest bidder will be contacted as the winner.

The winning bidder is liable for courier fees which will be applied to the donation total once the winner's address is confirmed. The item will be wrapped and insured before being posted to the winner within five working days of payment.

If you are a UK tax payer we will be able to claim Gift Aid on your donation. Please notify us if this is the case and we can send you the relevant forms, increasing your donation by 25% at no cost to you.

Eaves reserves the right to withdraw the auction item at any time.
