

SETTLING IN RESEARCH PROJECT

Are you a woman who has arrived in the UK in the last 10 years as a spouse or partner of a British national or a person with Indefinite Leave to Remain (ILR)?

Do you have a passport from OUTSIDE the European Union?

Do you live in or around London, Oxford, Slough, Guildford, Maidstone, Brighton, Southampton or High Wycombe?

Would you like to share your experiences of settling into UK life?

YES?

We would like you to participate
in our research project!

Eaves (an organisation working on women's rights) is currently conducting research into the challenges and needs for integration of third country national women (i.e. women from non-EU countries) who come to the UK as a spouse or partner of a UK national or a person with Indefinite Leave to Remain (ILR).
