What we can offer →

eaves
putting women first

This project and its actions were made possible due to co-financing by the European Fund for the Integration of Third-Country Nationals.

ABOUT THE PROJECT

Eaves (an organisation working on women's rights) is currently conducting research into the challenges and needs for integration of third country national women (i.e. women from non-EU countries) who come to settle in the UK as a spouse or partner.

WE WILL:

- reimburse your travel expenses (if receipt is provided)
- provide crèche facilities
- provide refreshments
- give you a £10 gift voucher to thank you for your time
- ask you to come along with your passport and residence permit card

GET IN TOUCH

Please do get in touch as your experiences can help to inform policy makers, local authorities and service providers as to what programmes and schemes would really be helpful to you and women like you.

We are happy to provide further information about the research project, including Eaves' data handling and confidentiality policies.
