Regular Events

Family Saturday

Hauser & Wirth Somerset welcomes families into the gallery, providing them with a unique experience of art, design and nature. Family Saturdays are free sessions for families, which run on the first Saturday of every month from 10 am – 12 pm.

Arthaus

Hauser & Wirth Somerset has created a group specifically for young people aged 15 – 19 years old who are interested in learning more about art and architecture, and who wish to meet other people with similar interests. This group meets at the gallery twice a month and has the opportunity to meet our artists, gallery team, and specialists in a series of events such as workshops, conversations and talks. The gallery supports this group in developing their own youth-led projects that in turn engage and involve other young people with the gallery.
